# Construction Worker's Choice Spectacle

**SKU: ES001**

## Key Features

Has a clear lens and a unique wrap-around design for better coverage

Extremely lightweight, thus providing extreme comfort

Flexible temple with wrap-around design

Tested at elevated temperatures, resistant to corrosion, ignition and optically tested

Tested for disinfection and increased robustness

## Certification:

EN 166:2001, EN 167:2002, EN 172:1994+A1:2000 & A2:2001, EN 168:2002, IS 5983:1980, ANSI Z 87.1-2020

## Description

- An ultra lightweight model offering the highest level of eye protection against high speed particles.
- It is a frameless, wrap-around spectacle for all industrial settings where dust/flying particles protection or ultraviolet protection is required.
- It provides frontal, lateral impact resistance protection. It is hard coated for scratch resistance.
- Resistance to low impact energy of high speed particles at extremes of temperatures.
- Hard-coated lens for anti-fog properties which decreases fogging thereby enhancing clarity in vision.
- Smoked lens offers protection from excessive glare and reduces blinding brightness.

**Warranty:** 1 year from the date of invoice against any manufacturing defects.

## Ideal for use

Construction

## Product Specifications

Weight	26gms approx
Material of Lens	High impact resistant optical class 1 Polycarbonate hard-coated lens for scratch resistance
Lens Scale No.	Clear: 3-1.2, Smoked: 5-3.1
Best Before	5 years from the date of manufacturing
Variants	(Clear)(PK), (Clear)(NG), (Smoked)(NG)
Lens Shade Options	Clear, Smoked, Smoked(NG), Clear(NG), Clear antifog, Clear(PK)
